THE COUPLE

I'll paint my mood in a shadow blue,  
Paint my soul to be with you.  
I'll sketch your lips in shaded tones,  
Draw your mouth to my own.

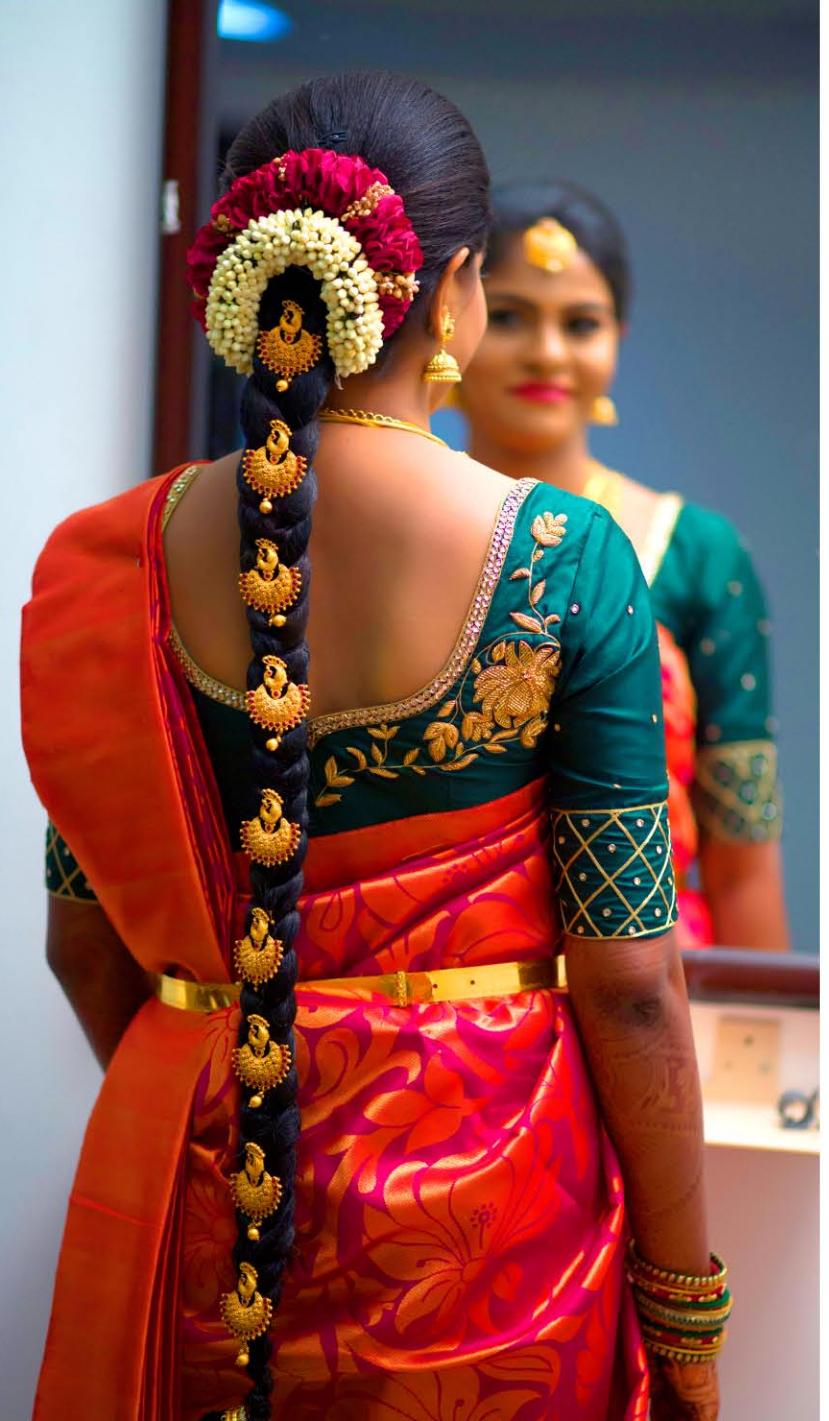

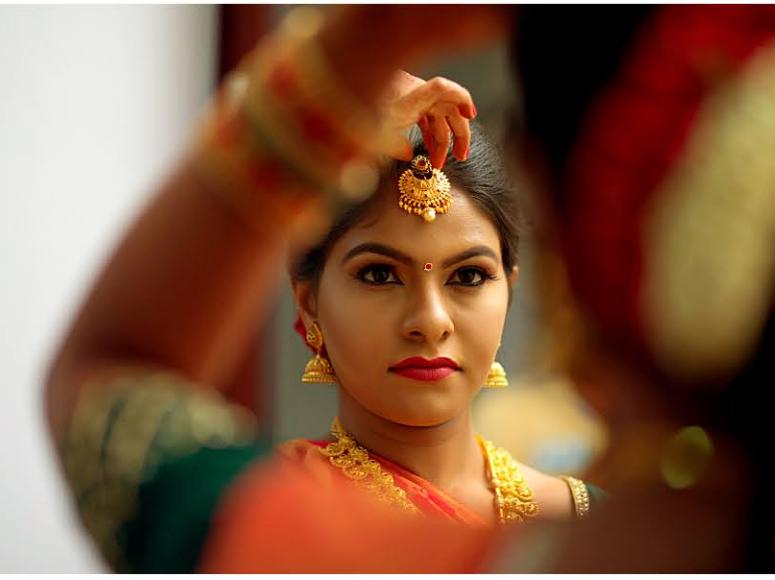

ON THE DAY

If I could reach up and hold a star for every time you've made me smile,  
the entire evening sky would be in the palm of my hand

CEREMONY MOMENTS

Oh my love's like a red, red rose  
That's newly sprun in june oh my love's like a melody  
That's sweetly sung in true...

MONOJ- PAVI

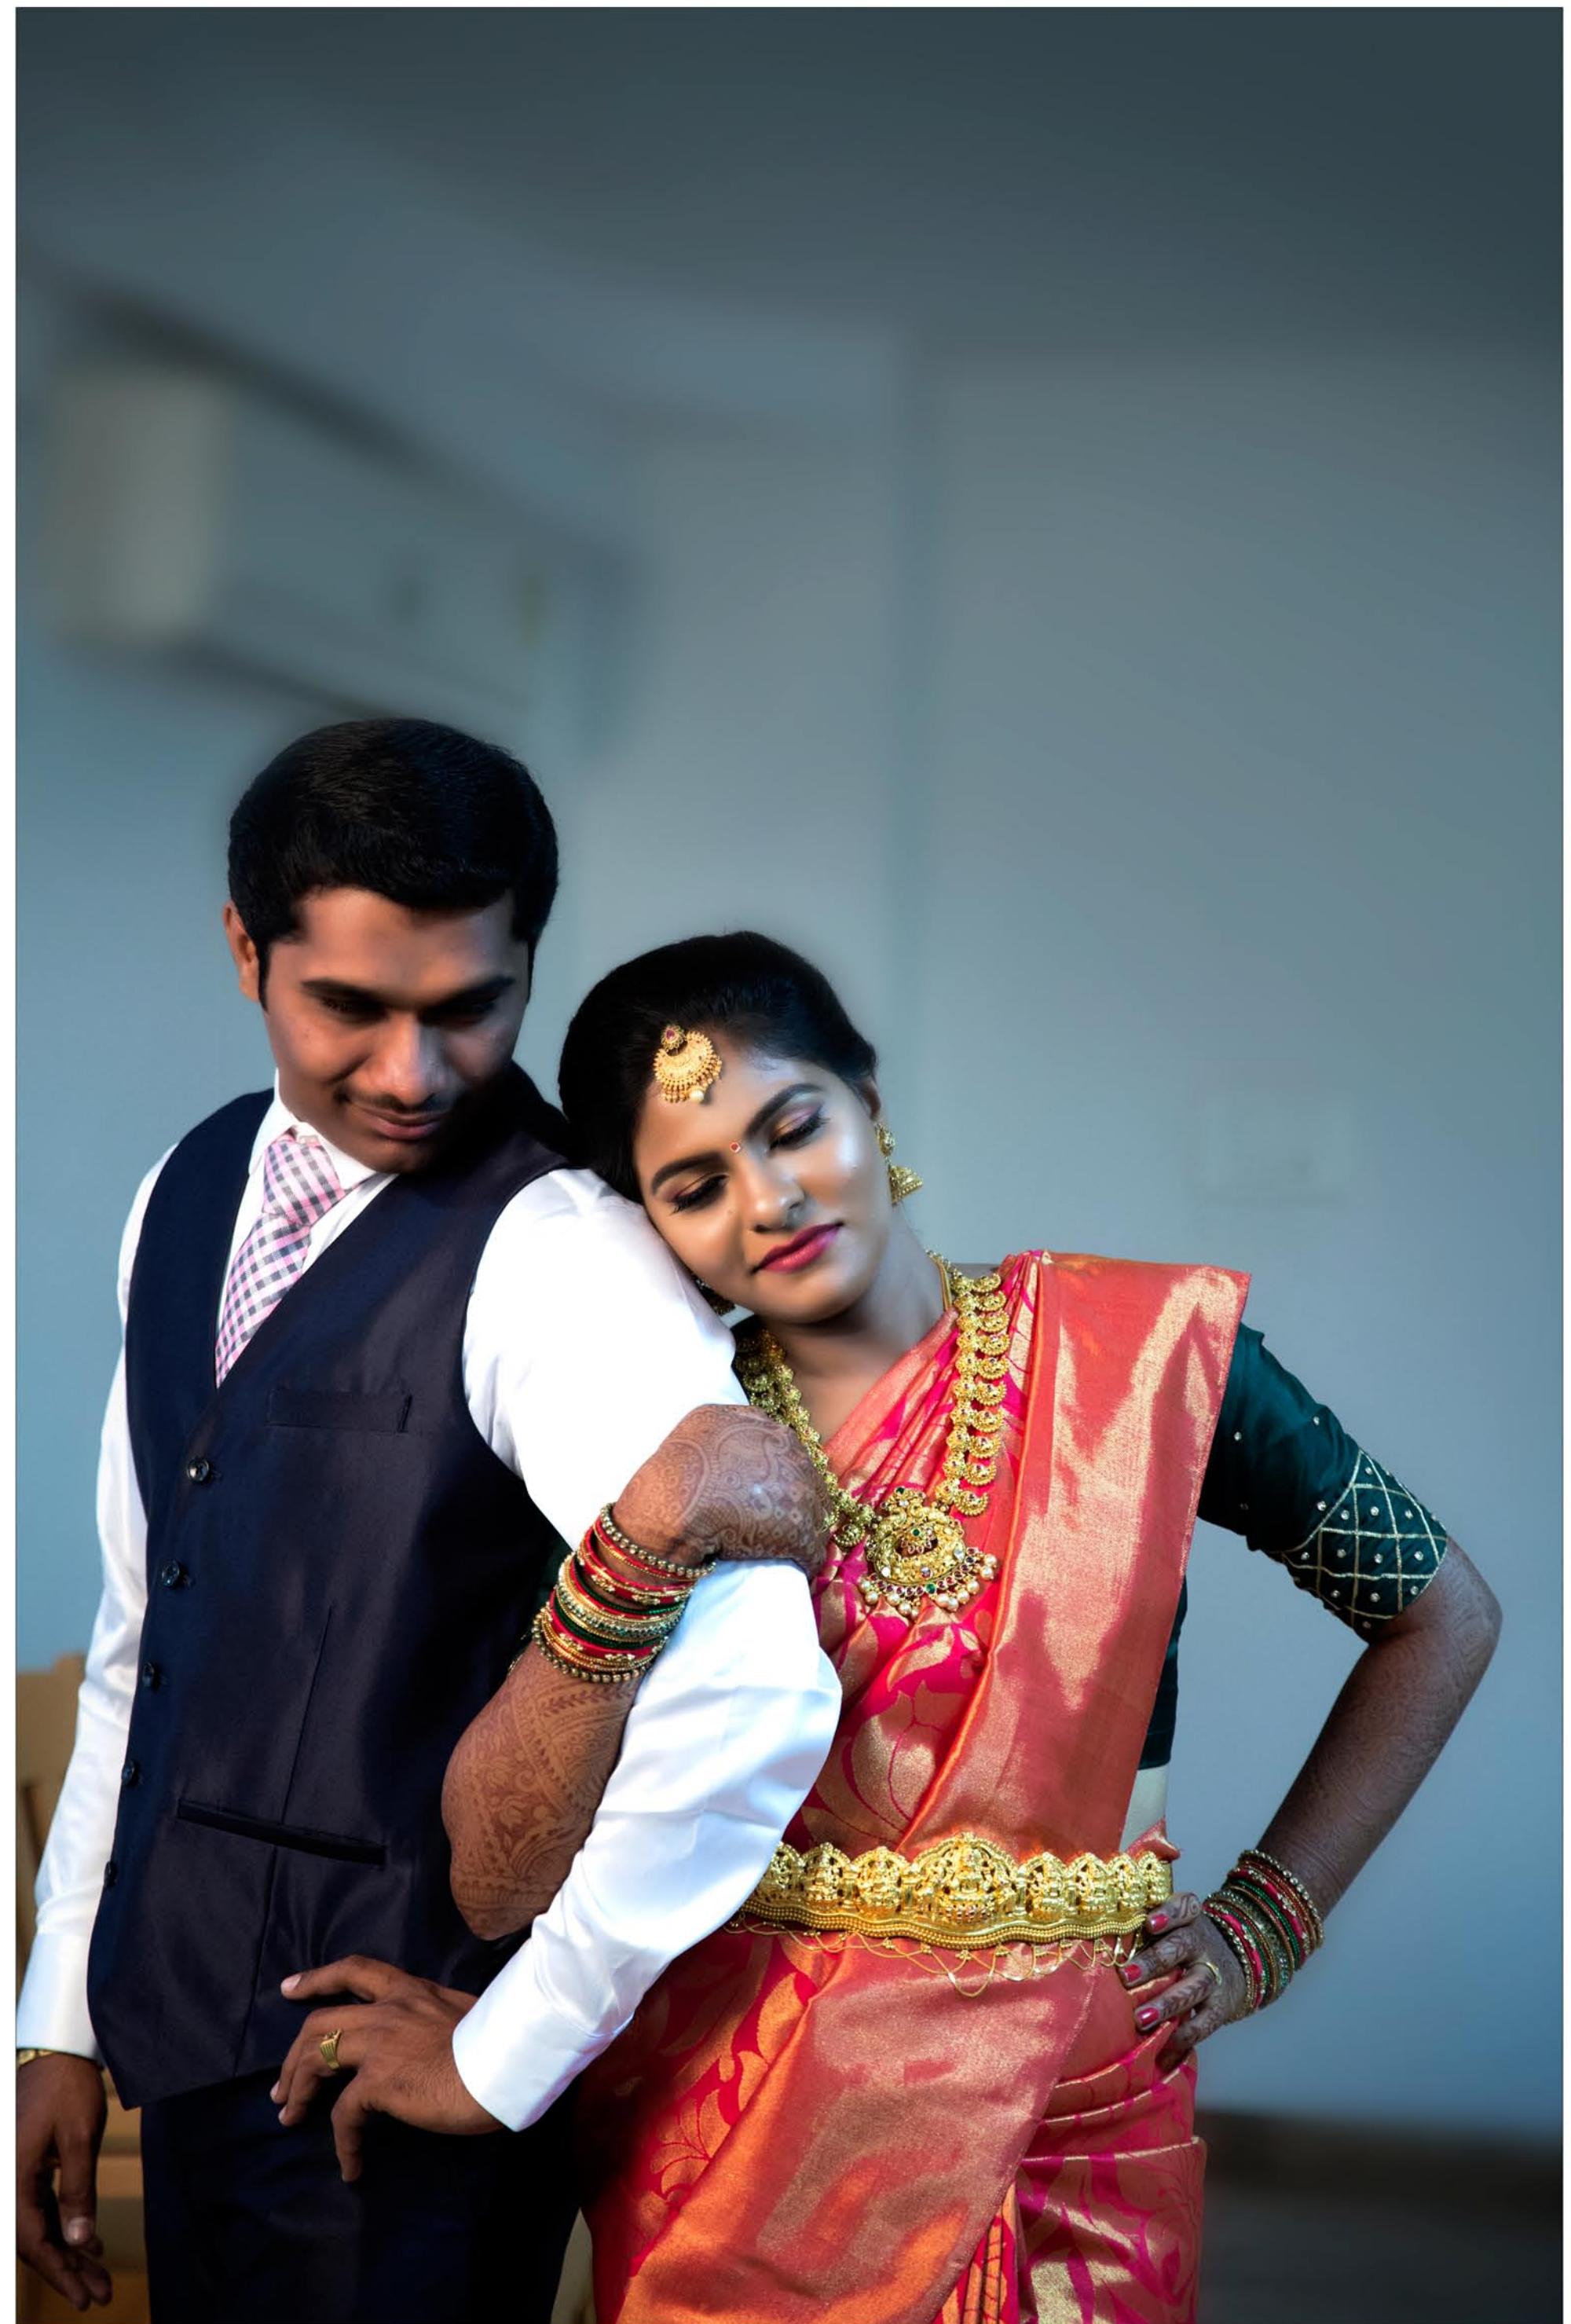

Loving someone is a leap of faith  
You are giving them your heart  
and trusting them not to break it...  
No matter what happens  
I will still never regret making that leap for you

YOU HAVE  
MY whole  
heart FOR MY  
WHOLE  
LIFE.

## Reception

- The world is full of beauty when the heart is full of love.
- Love means the body, the soul, the life, the entire being.
- That love is all there is all we know of love.

Let me not to the marriage of true minds  
Admit impediments. Love is not love

Which alters when it alteration finds,  
Or bends with the remover to remove:

O, no! It is an ever-fixed mark,  
That looks on tempests and is not shaken:

It is the star to every wandering bark,  
Whose worth's unknown, although his height be taken,  
Love's not time's fool, though rosy lips and cheeks  
Within his bending sickle's compass come;

Love alters not with his brief hours and weeks,  
But bears it out even to the edge of doom,  
If this be error, and upon me proved,  
I never writ, nor no man ever loved,

2018

You will find, as you look back upon your life, that the  
moments when you have truly lived are the moments  
when you have done things in the spirit of love.

Pavi-Manoj

"Love and marriage, love and marriage,  
go together like a horse and carriage."

I always thought a yard was three feet, then I started moving the lawn. The universe is merely a fleeting idea in God's mind - a pretty uncomfortable thought, particularly if you've just made a down payment on a house. No man but feels more of a man in the world if he has but a bit of ground that he can call his own.

However small it is on the surface, it is four thousand miles deep, and that is a very handsome property. When you have a house, it takes on a new meaning. A house , but only hearts can build a home. People are living longer than ever before, a phenomenon undoubtedly made necessary by the 30-year mortgage. There's nothing to match curling up with a good book

when there's a repair job to be done around the house.

And of all man's felicities The very subtlest one, say I, is when for the first time his heartbeats in time against the sky. The fellow that owns his own home is always just coming out of a hardware store. One only needs to go in once. When he gets home, he goes and duct tape to make them stop. A perfect summer day is when the sun is shining, the breeze is blowing, the birds are singing, and the lawn mower is broken. A man's house is his most important possession, and a task for life: he is to furnish, watch, show it, and keep it in repair, the rest of his days. A house that does not have one worn, comfy chair in it is soulless. Unless one decorates one's house for oneself alone best leave it bare, for other people are wall-eyed.

## Good Story

You know when you have found your prince because you not only have a smile on your face, but in your heart as well.

## Enjoy your life

You will find, as you look back upon your life, that the moments when you have truly lived are the moments when you have done things in the spirit of love.

## Look & feel Good

A successful marriage requires falling in love many times, always with the same person.

## Feel In Love

You know you're in love when you can't fall asleep because reality is finally better than your dreams.

"I'm in love with you, and I'm not in the business of denying myself the simple pleasure of saying true things. I'm in love with you, and I know that love is just a shout into the void, and that oblivion is inevitable, and that we're all doomed and that there will come a day when all our labor has been returned to dust, and I know the sun will swallow the only earth we'll ever have, and I am in love with you."

I take you to be my best friend,  
my faithful partner, and my one true love.  
I promise to encourage you and inspire  
you and to love you truly through  
good times and bad.

The die is cast, come woe, come woe  
Two ends must meet, for better or for worse,  
For better or for worse, the link  
Which naught but death can sever.  
The die is cast, come woe, come woe  
Come joy, come woe, come woe  
If love but binds the mystic tie,  
Bless us in the bridal hour.

I'll paint a sun to warm your heart  
Knowing that we'll never part,  
I'll draw the years all passing by  
So much to learn, so much to try.

I'll paint my mood in a shadow blue,  
Paint my soul to be with you  
I'll paint the stars in the evening sky,  
Draw your mouth to my own.

I'll raise a hand to wipe your tears  
And trace a look to calm your fears,  
A silhouette of dark and light  
To hold each other in the light.

I'll paint the stars in the evening sky,  
Draw the light into your eyes,  
A touch of love, a touch of grace,  
To carry you in your innocent face.

And with this ring our lives will start,  
Let us both keep our love apart  
I'll take you now in hold in mine,  
And be together through all time.

Love has no other desire but to fulfill itself But if your love and lust needs have desires, Let these be your desires: To melt and be like a running brook that sings its melody to the night: To know the pain of too much tenderness: To be wounded by your own understanding of love: And to bleed willingly and joyfully: To wake at dawn with a winged heart And give thanks for another day of loving: To rest at the noon hour and meditate love's ecstasy: To return home at eventide with gratitude: And then to sleep with a prayer For the beloved in your heart And a song of praise upon your lips.
